

Overview GmbH & Co. KG

The GmbH & Co. KG

The general partner (Komplementär) is a registered VRB shelf-GmbH (limited liability company). The limited partner (Kommanditist) is the VRB Vorratsgesellschaften GmbH with a limited partner's capital contribution totalling EUR 100.00.

Every GmbH & Co. KG is duly incorporated, is registered in a German Handelsregister (commercial registry), and has full and immediate legal capacity. We guarantee that, up to the time of sale, it has carried out no business activities whatsoever, is unencumbered, and has no liabilities. The company will not be charged any costs for incorporation, nor will any other services be invoiced to it.

The Purchase Price

The total purchase price for a GmbH & Co. KG is EUR 28,500.00 (EUR 27,000.00 for the GmbH and EUR 1,500.00 for the limited partner's interest). The nominal capital of the general partner-GmbH in the amount of EUR 25,000.00 and the limited partner's capital contribution of EUR 100.00 are comprised within the purchase price.

Acquisition in Less than 24 Hours

Simply call us or send us the completed questionnaire and we will immediately reserve for you a GmbH & Co. KG complete with the requisite GmbH. This reservation is free of charge and does not obligate you in any way.

You must then make the purchase price payment. You can either pay this amount in advance directly to us, or deposit it in the trust account of a German lawyer or notary public. In some cases, an unconditional and irrevocable undertaking from your lawyer or notary public will also suffice.

Once the purchase price has been paid or secured, you will receive in less than 24 hours the complete company folders containing all original documents and all requisite sale documents.

At this point, the contract to purchase and assign the shares of the GmbH, as well as the desired modifications to its articles of association, can then be executed and notarized by the notary public of your choice, and you can appoint the new managing director.

You acquire the limited partner's interest simply by countersigning the corresponding sale contract that was sent to you. Now you can also modify the KG's limited-partnership agreement according to your needs.

Your notary will immediately notify the responsible German Handelsregister of all modifications. Pursuant to a corresponding power of attorney, you thereby also sign on behalf of VRB.

Disposition of Partnership Capital

Depending on whether the bank account of the GmbH is being sold with it, the new managing director must either be authorized by the bank that keeps the account (sale with bank account), or must deposit the order cheque, which is issued by the company for the balance of the account, in a newly opened bank account previously opened at a bank of his choice (sale with cheque).

The KG's partnership capital in the amount of EUR 100.00 has been deposited in the cash account and is being delivered concurrently with the sale.
