

Overview KG

The KG

The general partner (Komplementär) is the VRB Beteiligungs GmbH. The limited partner (Kommanditist) is the VRB Vorratsgesellschaften GmbH with a limited partner's capital contribution totalling 100.00 Euro. Upon acquisition, the previous general partner will be replaced by the limited liability company supplied by you; this means that you are only acquiring the interest of the limited partner.

Every KG is duly incorporated, is registered in a German Handelsregister (commercial registry), and has full and immediate legal capacity. We guarantee that, up to the time of sale, it has carried out no business activities whatsoever, is unencumbered, and has no liabilities. The company will not be charged any costs for incorporation, nor will any other services be invoiced to it.

The Purchase Price

The purchase price of the limited partner's interest is 1,500.00 Euro. The limited partner's capital contribution is comprised within the purchase price.

Acquisition in Less than 24 Hours

Simply call us or send us the completed questionnaire, and we will immediately reserve a KG for you. This reservation is free of charge and does not obligate you in any way.

You must then make the purchase price payment. You can either pay this amount in advance directly to us, or deposit it in a trust account of a German lawyer or notary public. In some cases, an unconditional and irrevocable undertaking from your lawyer or notary public will also suffice.

Once the purchase price has been paid or secured, you will receive in less than 24 hours the complete company folder containing all original documents and all requisite sale documents.

Upon countersigning the contract sent to you, the GmbH named by you becomes the new general partner of the KG, the previous general partner withdraws from the company, and the limited partner's interest is transferred. Now you can also modify the KG's limited-partnership agreement according to your needs.

Your notary will immediately notify the responsible German Handelsregister of all modifications. Pursuant to a corresponding power of attorney, the new general partner also signs on behalf of the former partners.

Disposition of Partnership Capital

The KG's partnership capital in the amount of 100.00 Euro has been deposited in the cash account and is being delivered concurrently with the sale.
