

Overview AG

The AG

Every Aktiengesellschaft (AG) is duly incorporated, is registered in a German Handelsregister (commercial registry), and has full and immediate legal capacity. We guarantee that, up to the time of sale, it has carried out no business activities whatsoever, is unencumbered, and has no liabilities.

The share capital is 50,000.00 Euro. The full amount is deposited in the company's bank account and has not been paid back. Since no costs whatsoever are being charged to the AG, this full amount is available at the time of sale.

Purchase Price

The purchase price for all shares of an AG is 56,000.00 Euro. The share capital in the amount of 50,000.00 Euro is comprised in the purchase price.

Acquisition in Less than 24 Hours

Simply call us or send us the completed questionnaire, and we will immediately reserve an AG for you. This reservation is free of charge and does not obligate you in any way.

You must then make the purchase price payment. You can either pay this amount in advance directly to us, or deposit it in the trust account of a German lawyer. In some cases, an unconditional and irrevocable undertaking from your lawyer or notary public will also suffice.

Once we have received the purchase price or it has been secured, you will receive by courier the complete company folder containing all original documents and all requisite sale documents.

You will become a shareholder by countersigning the share purchase contract. Following this you will hold a general shareholders' meeting with a notary public of your choice, and you will have all desired changes to the company's articles of association and the appointment of the new supervisory board (Aufsichtsrat) notarized. The new supervisory board then appoints the new management board (Vorstand). The new management board in turn files all applications for registration at the responsible German Handelsregister.

Bank Account Balance

The new management board then opens a new bank account for the company at a bank of its choice and must deposit in it the order cheque in the amount of 50,000.00 Euro.
